Copyright Transfer Statement

By signing this agreement, the undersigned author(s) hereby transfer to the International Journal of Sustainable Intelligent Technologies (the “Journal”) the full copyright and all rights of the above manuscript, upon its acceptance for publication.

This includes, but is not limited to, the rights to:

- Reproduce and distribute the manuscript in any format or medium.
- Translate and adapt the manuscript.
- License the work to third parties.

Authors Retain the Following Rights:

- Use of the work for personal academic use (e.g., lectures, theses).
- Posting of preprint or accepted versions on institutional or personal repositories (with proper citation).
- Reuse of figures/tables or selected content in future works, with citation.

Author Warranties

By signing below, the author(s) affirm that:

1. The work is original and has not been published or submitted elsewhere.
2. All authors have contributed substantially and approve the submission.
3. The manuscript does not infringe any copyright, trademark, or other rights.
4. All necessary permissions for third-party content have been obtained.

The corresponding author affirms they have the authority to sign on behalf of all co-authors.
